

1] Graduates and families should plan to arrive no more than 60 minutes, and no less than 30 minutes, before the ceremony.

2] Lot 1 is reserved for cars with disability placards or license plates.

3] Graduates and families should park only in the numbered parking lot(s) or the lot(s) designated with a blue P on the parking map for their school. We appreciate graduates and families parking only in those areas designated for their school's graduation, as that will allow for the most efficient traffic flow for all ceremonies.
