Before the First Day of School Checklist

- Check your schedule in HCPSS Connect/Synergy and make note of your 1st period class, teacher name and room number.
- If you are a bus rider, use the Bus Locator Tool to determine your bus stop. Write down/take a screenshot of your bus number and keep it in an accessible location.
- Turn on your HCPSS Chromebook and login. Be sure it is functioning properly. If you need to pick up a Chromebook, please visit the media center.
- Check your hcpss.inst username and password by logging into Canvas.

Are you new to Howard County?

- After our class rotations, you can stop by our media center and get your HCPSS Chromebook
- See Mr. Bulger or Ms. McGuigan

Before the First Day of School Checklist

- Bookmark hcpss.me or set it as your homepage. This will make accessing Canvas, GSuite, and other online digital resources fast and easy.
- Update your Canvas settings and notification preferences to ensure that you are receiving important information from your teachers.
- Pack your bag the night before! Bring paper, something to write with, planner/agenda book, a charged Chromebook, and a set of headphones. Teachers will share supply lists for each class during the first week of school.

Black Student Achievement Program

- Develop collaborative relationships in order to close opportunity and achievement gaps for students that identify as Black/African American.
- Facilitate equitable access to academic and enrichment programs
- Influence the development of positive learning behaviors
- Educate school community towards a deeper understanding of student group
- Engage families in educational process and social-emotional well being of their children

Support for Military Families

Howard County is home to a diverse community that includes active duty, guard, reserve, and veteran armed services members and their children, many of whom are students in the Howard County Public School System.

HCPSS ensures academic success and social-emotional well-being for our students in an inclusive and nurturing environment that closes opportunity gaps. We are committed to creating a welcoming and supportive environment and fostering strong bonds between schools, military service members and community organizations in order to support military-connected children and enhance the success of all students.
