

HOWARD HIGH SCHOOL

CAPTAINS' CLINIC

We are continuing the format of the Captains' Clinic that we began using last year. Students will have independent work that must be completed prior to a one-day, large group session. This year, there will be a companion text that students are to read and work to be completed over the summer. The Captains' Clinic is available to all 10th, 11th, and 12th graders.

The Captains' Clinic will be available to only the FIRST 24 students who return their completed registration forms to the main office.

To accommodate more students, there will be two separate large group sessions held on Tuesday August 13, 2019 from 9:00 am – 12:00 pm and 1:00 – 4:00 pm. Students will only need to attend one of the sessions. On the registration sheet, students need to indicate their preference, but may be assigned either session (to even out the numbers).

The independent work will involve reading an assigned text and completing accompanying activities. Students will have the summer to complete the work.

The cost of the book is \$20. Students who register for but DO NOT complete the work prior to, or do not attend the Captains' Clinic will be responsible for the cost of replacing the text.

NOTE: Completion of the assignment and attendance at the Captains' Clinic session is mandatory in order to be a team captain but is **not** a guarantee of a position as a team captain.

Registration forms must be submitted to the main office by 2:20 pm on Friday June 14, 2019. If the clinic fills prior to June 14, no additional students will be accepted.

ONLY the FIRST 24 students who submit their forms to the main office will be guaranteed a spot in the Captains' Clinic.
